The SUPER20 CUP 2019

The Super20 Cup is the first major trophy to be won in the season. It is also known as the Christmas Competition With the whole competition taking place over three Gameweeks with the First Round taking place Gameweek 18 and the final Gameweek 20.

This Year the matches will start just before Christmas with the Semi-Final's taking place on Boxing Day and the day after. Then the final will take place Saturday 29th & Sunday 30th December just before new Year's. So the competing managers will hopefully enjoy their Christmas but might have to go easy on the alcohol intake as they will need clear heads.

This competition is great for many reasons as the matches come thick and fast the whole competition will be done in ten days the other thing that makes it so special is that it is contested by the previous seasons top 8 managers from the Premier League.

The Super20 Cup is the very reason that all managers in the FC World should be striving for the top division to finish in the top 8 and qualify for the Super20 cup, why is that so important, it is the only competition that pays prize money in each round, The First-Round losers are guaranteed to gain their entrance fee back by claiming £30.

SUPER20 CUP 2019

The FC Expert Speaks

The Super20 cup is for the elite and the 2018 field is no different. 11 Major Trophies between them and 8 Minor League Titles. Not to mention a whole host of promotions and Runner-Up medals in Cup competitions. Interestingly this season we have 3 Debutants in the competition, last season's Premier league Champions Lee Ferridge, Andreas Themistocleous and Roari Fox. Alongside the debutants we have two previous winners of the competition, Andy Gurney won it in 2014 and last season's winner Ian Gredley is back to try and defend his title.

LEE FERRIDGE

Winning last season Premier League title was Lee's first major trophy after 11 seasons. Winning the Premier leaguer after only his 3rd season in the top flight. It was a shock title but one that has announced his arrival on the big stage. Lee is flying high in the Premier League again lying in 4th.

VERDICT: - *A drop in form will not see him win a second major title in this competition. 1st Round disappointment.*

ANDREAS THEMISTOCLEOUS

Another debutant in the competition but a manager many of us have been waiting to see get to this stage. Andreas has 3 Major Trophies to his name in his second season in the Premier League he is back in 2nd spot.

VERDICT: - *Has taken 8 seasons to get to this stage he is going to grab it. WINNER.*

ROARI FOX

The last debutant in this season's competition. 3rd Place in his first season back in the Premier was a fantastic achievement especially as the last time he got up he went straight back down. Fox has never won a Major trophy.

VERDICT: - *First time on this stage will be about the experience. 1st Round Loser*

GLEN HOGWOOD

It has been a while since his only major trophy the 2009 FC Cup. He is struggling in the league this season in the relegation zone but although out of the Champions League he is enjoying an FC Cup run knocking out Lee Ferridge in the 2nd Round.

VERDICT: - *Finding form and loves the cups. Surprise Finalist.*

MICHAEL LYNN

Now in his 6th season in the top flight after 3 finishes out of the top ten a flirting with relegation Lynn has now finished in the top 8 for consecutive seasons and is currently 6th.

VERDICT: - *A shock defeat in the 1st Round. 1st Round disappointment.*

IAN GREDLEY

Won the Premier League at his first attempt and has not been out of the top 8 since. This season he is currently lying in 7th place. This is his 3rd successive season in the competition and won it last season.

VERDICT: - *Will not be the first manager to win back to back Super20 cups. Semi-Finalist.*

ANDY GURNEY

This competition is all about Brotherly love, or competitiveness. This will be Andy's 7th season in the competition one less than his brother Rob. Rob has won the competition twice Andy winning it in 2014 is desperate to draw level with Rob.

VERDICT: - *Will not be adding as second Super20 Cup this season with a tough first Round match. 1st Round disappointment.*

RICHARD MUNROE

One of the managers in the competition that has not won a major trophy. This will be Richard's 3rd attempt at the Super20 Cup reaching the Semi-Final two seasons ago. This season is not going well he is out of the Champions League out of the FC Cup and currently occupying the last relegation place in the Premier league although just 1 point from safety.

VERDICT: - *Looking to show he belongs in this company. A surprise Semi-Finalist*
